Your Next Pizza Could Be Free

Domino's and the Loudoun County Fire and Rescue are rewarding select customers who have properly functioning smoke alarms with **FREE** Domino's pizza!

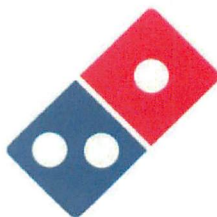

When you place a delivery order on May 18, 2017 at 5:00 pm until 7:00 pm you could be eligible to have your order delivered aboard a fire engine.

If all of the smoke alarms in your home are working, your order is **FREE**. If the smoke alarms are not working, the firefighters will replace the batteries or install with fully functioning alarms.

Remember to replace smoke alarms every 10 years. To find out how old an alarm is, check the manufacture date on the back of it. For more event information, visit:

www.loudoun.gov/fireprevention

Together, we can make a difference and save lives!
